We look forward to welcoming you as a volunteer!

The contribution made by the volunteers of the South Devon Railway Association is hugely significant to our on-going success as a heritage railway and one of South Devon's leading tourist attractions. In recent years, volunteers have collectively put in over 100,000 man hours each year.

It is also a great opportunity to learn new skills, participate in a successful team and establish new friendships. And as a working member, once you have joined the South Devon Railway Association, you will be entitled to free travel on the railway, together with discounts in our shop and cafes.

Whatever your skills, background and time commitment, the Railway family welcomes you.

WHATEVER YOUR SKILLS, WE NEED YOU...

Our volunteers come from many walks of life, with many different skills. Put simply, the South Devon railway could not operate without our dedicated band of volunteers. Together, volunteers and paid staff work as a team to operate, maintain and improve one of South Devon's leading tourist attractions.

Even if you can only commit to a few hours a week, you would be very welcome. All that we ask is that you become a member of the South Devon Railway Association, that you are reasonably fit for the duties to be undertaken and take part in our induction programme, which includes safety training.

HOW CAN I HELP?

We have many departments on the railway where you can assist. Amongst these are:
