**Locomotives In Use on both days: 5786, 5526, 5542, 4160, 3803 and D7612**

Intensive train service in operation featuring Great Western and British Railways liveried passenger trains, a variety of Parcels trains (some with passenger accommodation), a variety of freight and milk trains, plus shunting demonstrations at Buckfastleigh with Great Western Railway pannier tank No.5786 with shunters truck attached. Some passenger services will be double-headed by the two “small prairie’s”. Various locomotive’s, including newly returned to service 3803 and visiting “large prairie” 4160 will appear on freight workings. At Buckfastleigh there will be a display of vintage motor vehicles from various eras. The Lee Moor Tramway museum will be open. Visit the workshop viewing gallery to see the latest overhauls in progress. The miniature railway will be operating throughout the event. A variety of food and drink can be obtained from the Refreshment Rooms at Buckfastleigh and on some services. Expressway Models will be open to satisfy all your modelling needs and also selling a wide range of gifts and souvenirs. The large model railway situated adjacent to Shop and Refreshment Rooms will also be operating throughout the weekend. With so much to see and do come early and be prepared to stay late.
