Trains to run in Top & Tailed formation D7612 at Ashburton end and 6412 on Totnes end of train

There are trains running in connection with the scattering of John Frood's ashes Saturday 25th February 2017. The timetabling and arrangements for these trains have been agreed with the SDDT and John's family.

There will be 4 trains starting at 10.15 from Buckfastleigh.

The train will be formed of the 4 coach blood and custard rake with Auto no 233 added for John's family and invited guests. 6412 will be provided on the Totnes end of the train primarily to provide heating but it will work the train in the Totnes direction. Power for the return trip will be provided by D7612 with the 64xx simply becoming part of the consist.

The second train from Buckfastleigh will stop at Woodville crossing to allow John's family to scatter this ashes alongside the Railway.

All trains will be available for the general public to travel on. Normal fares will apply.
