

SOUTH DEVON
RAILWAY

RAILS & ALES

27-30 AUGUST 2021

Join us this August Bank Holiday for the return of our famous
Beer Festival at Staverton Station.

For the first time since March 2020, certain passenger trains are timetabled to stop at Staverton so you can alight and enjoy the extensive selection of ales and craft beers, along with cider, wine and prosecco too!

Our main train 'The Devonian' will run between Buckfastleigh and Totnes only for which seat reservations are compulsory. Tickets are available for these services in advance via our website, or from our booking offices on the day, subject to capacity.

A stopping "Branch Train" with unreserved seating will operate between Buckfastleigh, Staverton and Totnes. Seats for this service are available on a first come first served basis and customers may be required to share tables and compartments with other passengers.
